RESEARCH REPORT

Tips for Using Facts

- Write down facts you find in books, magazines, and other sources that answer your research questions.

How does a harp seal move?

Flippers help them swim

Wiggle bodies on land

Front flippers have claws

Grab onto ice and rocks

- Turn the facts into sentences.

Harp seals wiggle their bodies to move around on the land.

The claws on their front flippers help them grab onto ice and rocks.

- Use your own words.
